

Decision -/CP.20

Lima call for climate action

The Conference of the Parties,

Reiterating that the work of the Ad Hoc Working Group on the Durban Platform for Enhanced Action shall be under the Convention and guided by its principles,

Recalling the objective of the Convention as set out in its Article 2,

Also recalling all the relevant decisions of the Conference of the Parties, particularly decisions 1/CP.17, 2/CP.18 and 1/CP.19,

Affirming its determination to strengthen adaptation action through the protocol, another legal instrument or agreed outcome with legal force under the Convention to be adopted at the twenty-first session of the Conference of the Parties (November-December 2015),

Recalling decisions 2/CP.19 and X/CP.20 (Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts) and welcoming the progress made in Lima, Peru, towards the implementation of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts,

Noting with grave concern the significant gap between the aggregate effect of Parties' mitigation pledges in terms of global annual emissions of greenhouse gases by 2020 and aggregate emission pathways consistent with having a likely chance of holding the increase in global average temperature below 2 °C or 1.5 °C above pre-industrial levels,

1. *Confirms* that the Ad Hoc Working Group on the Durban Platform for Enhanced Action shall complete the work referred to in decision 1/CP.17, paragraph 2, as early as possible in order for the Conference of the Parties at its twenty-first session to adopt a protocol, another legal instrument or an agreed outcome with legal force under the Convention applicable to all Parties;
2. *Decides* that the protocol, another legal instrument or agreed outcome with legal force under the Convention applicable to all Parties shall address in a balanced manner, inter alia, mitigation, adaptation, finance, technology development and transfer, and capacity-building, and transparency of action and support;
3. *Underscores* its commitment to reaching an ambitious agreement in 2015 that reflects the principle of common but differentiated responsibilities and respective capabilities, in light of different national circumstances;
4. *Urges* developed country Parties to provide and mobilize enhanced financial support to developing country Parties for ambitious mitigation and adaptation actions, especially to Parties that are particularly vulnerable to the adverse effects of climate change; and recognizes complementary support by other Parties;
5. *Acknowledges* the progress made in Lima in elaborating the elements for a draft negotiating text as contained in the annex;
6. *Decides* that the Ad Hoc Working Group on the Durban Platform for Enhanced Action will intensify its work, with a view to making available a negotiating text for a

protocol, another legal instrument or an agreed outcome with legal force under the Convention applicable to all Parties before May 2015;

7. *Requests* the secretariat to communicate the negotiating text referred to in paragraph 6 above to Parties in accordance with provisions of the Convention and the applied rules of procedure, while noting that such communication will not prejudice whether the outcome will be a protocol, another legal instrument or an agreed outcome with legal force under the Convention applicable to all Parties;

8. *Notes* that the arrangements specified in this decision in relation to intended nationally determined contributions are without prejudice to the legal nature and content of the intended nationally determined contributions of Parties or to the content of the protocol, another legal instrument or agreed outcome with legal force under the Convention applicable to all Parties;

9. *Reiterates* its invitation to each Party to communicate to the secretariat its intended nationally determined contribution towards achieving the objective of the Convention as set out in its Article 2;

10. *Agrees* that each Party's intended nationally determined contribution towards achieving the objective of the Convention as set out in its Article 2 will represent a progression beyond the current undertaking of that Party;

11. *Also agrees* that the least developed countries and small island developing States may communicate information on strategies, plans and actions for low greenhouse gas emission development reflecting their special circumstances in the context of intended nationally determined contributions;

12. *Invites* all Parties to consider communicating their undertakings in adaptation planning or consider including an adaptation component in their intended nationally determined contributions;

13. *Reiterates* its invitation to all Parties to communicate their intended nationally determined contributions well in advance of the twenty-first session of the Conference of the Parties (by the first quarter of 2015 by those Parties ready to do so) in a manner that facilitates the clarity, transparency and understanding of the intended nationally determined contributions;

14. *Agrees* that the information to be provided by Parties communicating their intended nationally determined contributions, in order to facilitate clarity, transparency and understanding, may include, as appropriate, inter alia, quantifiable information on the reference point (including, as appropriate, a base year), time frames and/or periods for implementation, scope and coverage, planning processes, assumptions and methodological approaches including those for estimating and accounting for anthropogenic greenhouse gas emissions and, as appropriate, removals, and how the Party considers that its intended nationally determined contribution is fair and ambitious, in light of its national circumstances, and how it contributes towards achieving the objective of the Convention as set out in its Article 2;

15. *Reiterates* its call to developed country Parties, the operating entities of the Financial Mechanism and any other organizations in a position to do so to provide support for the preparation and communication of the intended nationally determined contributions of Parties that may need such support;

16. *Requests* the secretariat to:

(a) Publish on the UNFCCC website the intended nationally determined contributions as communicated;

(b) Prepare by 1 November 2015 a synthesis report on the aggregate effect of the intended nationally determined contributions communicated by Parties by 1 October 2015;

17. *Encourages* all Parties to the Kyoto Protocol to ratify and implement the Doha Amendment to the Kyoto Protocol;

18. *Reiterates* its resolve as set out in decision 1/CP.19, paragraphs 3 and 4, to accelerate the full implementation of the decisions constituting the agreed outcome pursuant to decision 1/CP.13 and enhance ambition in the pre-2020 period in order to ensure the highest possible mitigation efforts under the Convention by all Parties;

19. *Decides* to continue the technical examination of opportunities with high mitigation potential, including those with adaptation, health and sustainable development co-benefits, in the period 2015–2020, by requesting the secretariat to:

(a) Organize a series of in-session technical expert meetings which:

(i) Facilitate Parties in the identification of policy options, practices and technologies and in planning for their implementation in accordance with nationally defined development priorities;

(ii) Build on and utilize the related activities of, and further enhance collaboration and synergies among, the Technology Executive Committee, the Climate Technology Centre and Network, the Durban Forum on capacity-building, the Executive Board of the clean development mechanism and the operating entities of the Financial Mechanism;

(iii) Build on previous technical expert meetings¹ in order to hone and focus on actionable policy options;

(iv) Provide meaningful and regular opportunities for the effective engagement of experts from Parties, relevant international organizations, civil society, indigenous peoples, women, youth, academic institutions, the private sector, and subnational authorities nominated by their respective countries;

(v) Support the accelerated implementation of policy options and enhanced mitigation action, including through international cooperation;

(vi) Facilitate the enhanced engagement of all Parties through the announcement of topics to be addressed, agendas and related materials at least two months in advance of technical expert meetings;

(b) Update, following the technical expert meetings referred to in paragraph 19(a) above, the technical paper on the mitigation benefits of actions, and on initiatives and options to enhance mitigation ambition, compiling information provided in submissions from Parties and observer organizations and the discussions held at the technical expert meetings and drawing on other relevant information on the implementation of policy options at all levels, including through multilateral cooperation;

(c) Disseminate the information referred to in paragraph 19(b) above, including by publishing a summary for policymakers;
