

# Dr Robert Root *BAppSc, MSc, PhD*

*Gorgon Asset Development Manager, Chevron Australia Pty Ltd, 1 The Esplanade, Perth, Western Australia, 6000*  
[Robert.Root@chevron.com](mailto:Robert.Root@chevron.com)

Robert Root has over 20 years of experience with Chevron in a variety of leadership and technical roles spanning exploration, appraisal, development, operations, CCS, and business planning in Australia and the USA.

Currently Robert is the Gorgon Asset Development Manager for Chevron Australia with a remit that includes producing Gorgon and Jansz gas/condensate fields in offshore NW Australia, Gorgon CCS operations and remediation activities on Barrow Island, and future backfill development and optimization projects.

Prior to joining Chevron Robert completed a PhD from the Australian School of Petroleum focusing on CO<sub>2</sub> geosequestration in the Gippsland Basin of SE Australia.
